

Established in 1966, and with more than 20,000 members from around the globe, the **American Society of Nephrology (ASN)** is the world's largest organization of kidney health professionals. ASN members are thought leaders in the field of Nephrology and influence the purchase and sale of millions of dollars of pharmaceutical and biomedical products.

ASN leads the fight to prevent, treat, and cure kidney diseases throughout the world by educating health professionals and scientists, advancing research and innovation, communicating new knowledge, and advocating for the highest quality care for patients.

Journal of the American Society of Nephrology (JASN) is the leading kidney journal in the world, read and referenced more than any other journal in the field. Physicians and scientists read *JASN* to learn the latest advances in renal disease, including dialysis, transplantation, immunology, hemodynamics, bone disease, clinical nephrology, epidemiology and outcomes.

The original manuscripts, reviews and special articles in *JASN* inform clinicians and thought leaders, and kidney professionals consider this journal essential to their ability to stay current in the field.

The **ASN Journal websites** are full-text versions of the print editions of the *CJASN* and *JASN*, and the open access online-only journal *Kidney360*. Ad space is available on all journal websites, including full-text articles, and on the ASN Journals umbrella website.

The *CJASN* and *JASN* websites are available to advertisers in run-of-site 10% shares. Estimated total number of impressions per run-of-site 10% share is 25,000 for a U.S.-targeted campaign using all ad positions (a 728x90, 300x250, and 300x50) over the course of a full month.

The *Kidney360* website is a global, peer-reviewed, open access, online only, general kidney journal that aims to publish scientifically rigorous basic, translational, clinical, epidemiologic, health policy, population science, and global health kidney research. Estimated total number of impressions per run-of-site advertiser is 10,000 for a U.S.-targeted campaign using all ad positions (728x90, 300x250, and 300x50) over the course of a full month.

Impressions are estimates based on historical data and may not be delivered equally during the course of the campaign.

For internationally targeted campaigns contact the sales representative.

Advertising Policies

Agency/Advertiser Requirements

No contract will be held without a signed insertion order. Orders must include the flight dates and special instructions.

All contracts are non-cancellable unless FDA directive to suspend campaign is provided to WTG. Re-rating will apply to cancellations.

ASN reserves the right to approve all ad creatives that will run on any ASN web site. ASN reserves the right to reject any creative that does not follow ASN's specifications.

Material Specifications

It is the advertiser's/agency's responsibility to provide ads according to the publication's specifications as provided in this document. WTG, the publisher and printer are not responsible for the reproduction of advertisements not provided to the correct specifications.

Digital Advertising

Digital ad units are considered sponsorship advertising. The analytics presented in this document are based on the prior year and may vary annually. There are no CPM guarantees provided due to the nature of target audience access. ASN and WTG will not credit the advertiser based on data shortfalls from the analytics provided.

Digital Campaign Reporting

WTG does not complete third-party reporting templates or spreadsheets, and does not upload reporting data into digital portals or sFTPs.

WTG uses Google Ad Manager (GAM) to serve advertisements on website properties on which ad space is offered. A representative of WTG will provide reports for website campaigns upon request or via an automatically-generated email sent by GAM. WTG works with the ASN to place advertisements on email properties on which ad space is offered. A representative of WTG will provide reports as they are in-turn provided to WTG by [society]. Formats for these reports will vary as many different servers are used across the society's email portfolio. Reports for advertisements will be provided, at the earliest, two weeks following the month in which impressions were delivered.

Earned Rate Discount

Frequency rates are based on insertion orders submitted. If the submitted rate is not attained within the calendar year, clients will be re-rated to the frequency rate which has been attained. Clients will be required to remit the difference within 30 days of receipt of invoice.

There are no rebates should a greater frequency rate be attained over what has been contracted, credit will only be given on future advertising placed.

Combination Rate Discount

Advertisers running in *JASN*, *CJASN*, and *ASN Kidney News* (same issue month) may take 20% off the rate for each same size ad.

Agency Commission (15%)

Color charges and position charges are commissionable. Insert charges are also commissionable (excluding back-up charges). All extra charges are noncommissionable. Digital rates are noncommissionable.

Payment

WTG accepts ACH, checks and credit cards. If paying with a VISA or MasterCard credit card, a 3% surcharge will be added. If paying with an American Express credit card, a 4% surcharge will be added.

Reprints (*CJASN* and *JASN*)

Reprints of journal articles and meeting abstracts provide ethical and objective substantiation for your communications with health care providers. We provide several print and electronic formats as well as custom options to help you ensure that your message reaches the health care community.

Bulk quantities of reprints of articles published in the journals of the ASN are available for commercial purposes or for abstract reprint collections.
